

THAMESIDE  
SCHOOL

# Home Learning: Year 3: Term 4

Please also see the Home Learning extra section of our website for even more resources.

THAMESIDE  
SCHOOL

## MATHS to do every week

- Go on Times Table Rockstars every day for at least 5 min.
- Click on this link: [Times Table Rockstars](#)
- Type in your log-in and password. Ask us in school if you can't remember it.
- We will give dojo points for all TTR work done for homework.

### If you find Maths hard...

- Spend some time on Numbots every day – again 5min a day minimum.
- Click on this link: [Numbots Game](#)
- The log-in is the same as TT Rockstars.

## MATHS to do over the term

- Help with shopping – adding up totals or paying with cash in shops. Work out the change you will get.
- Practice telling the time. This could be done through this [game](#) (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes.
- Help with dividing things into equal groups at mealtimes. For example, give everyone in your family an equal number of breadsticks at snack time.

## READING to do every week

- Read aloud every day for 10min.
- If you have an AR book (coloured sticker on the spine) do the quiz at home when you've finished it.
- Click on this link: [Welcome \(renaissance-go.com\)](#)
- Your username is the same as TT Rockstars. The password is ABC (all in capital letters).
- Click on the orange square and type in the name of the book. Complete the quiz by yourself. You are allowed to look up the answers in the book.

## READING to do over the term

- Share a book with a grown up. This could be a chapter book where you read and discuss a chapter a day.
- Watch a story together on [BBC iPlayer - CBeebies Bedtime Stories](#)
- Read a book together on [OxfordOwl](#), discuss what your child enjoyed about the book.
- Find some new words from your reading book. Look them up online or in the dictionary. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word?

## WRITING to do every week

- Practice forming all your lower case and capital letters correctly, using the formation phrases from Little Wandle: [For parents | Letters and Sounds \(littlewandlelettersandsounds.org.uk\)](#)
- Practice the Year 3/4 spellings: [SpellingWordList Y3-4.pdf \(oxfordowl.co.uk\)](#) Aim to be able to spell at least 40 of these words by the end of the year.

## WRITING to do over the term

- Find some real-life opportunities to show off your improved handwriting! You could write shopping list or send someone a birthday card. Show us a photo for extra dojo points!
- Practice spelling these common exception words: [year-2-common-exception-words.pdf \(primarysite-prod-sorted.s3.amazonaws.com\)](#) Aim to be able to spell them all by the end of the year.
- Make up a character and write a short story about them. Try to include some speech, like we are learning to do this term in English.

# WIDER CURRICULUM

## Ideas to try!

### Learn even more:

- Boost your Geography knowledge from last term by making a fact-file about each of the world's continents. You could include information about countries, population figures, native animals and fun facts.
- Get ahead on History for this term by finding out more about the Bronze Age. BBC Bitesize is a good place to start: [What was life like in the Bronze Age? - BBC Bitesize](#)

### Be a Scientist:

- Make a food diary of everything you eat in a week or a month.
- Divide the foods into carbohydrates, proteins, etc.
- What sorts of foods do you eat the most? What patterns do you spot? Is there anything you'd like to change about your diet?

### Be Creative:

- Make something out of papier mâché, like we did with our balloon globes.
- This term we will be doing cooking in D&T. Find a new recipe and make the dish for your family.

### Be Active:

- Walk into Abingdon and visit the Museum to learn more about our town's history.
- Challenge someone in your family to a dance off! 'Just Dance' on YouTube has some great tracks 🕺

### Be Reflective:

- We have been noticing lots of changes in the seasons recently. Use your Art techniques from Term 3 to draw a plant or flower at different stages, e.g. bare branches and then blossom.

### Thameside Teamwork:

- Last term, we learnt how important it is to have green spaces in our urban towns and cities. Work with a grown up to clear an outside space of dead leaves, weeds and litter. (Be careful with this! Don't pick up anything sharp!)
- Plant some seeds in a patch of ground or even just a pot. You could choose flowers for bees and butterflies or maybe grow some vegetables to eat later in the year.

Day	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
<b>TT Rockstars</b>							
<b>Reading for 5- 10min</b>							
<b>Notes</b>							

**Name:**

**Date:**

**Dojos awarded:**

Parents/Carers – please initial when home learning has been done. Bring in every Monday so we can award dojo points!
