

Home learning Term 4 – Year 5

Please also see the Home Learning extra section of our website for even more resources.

Maths activities (to be completed weekly)	Reading activities (to be completed weekly)
<ul style="list-style-type: none"> • Times tables are really important facts to know as they are used in so many other aspects of maths, such as fractions. The best way to support quick recall is to practice Times Tables Rock Stars! GARAGE mode is the best to help build your TT knowledge. We should all aim for just 3 minutes of Times Tables Rock Stars a day, that's just 21 minutes a week! If you are feeling more confident with TT rock stars you can have a go at studio to your speed. • If you do not have access to TTRS at home times table practice sheets can be provided on request. 	<ul style="list-style-type: none"> • DAILY READING. Your child will have an appropriate level reading book that will provide them with suitable challenge whilst also building confidence as a reader. We encourage reading to be done daily, before bed is always a good opportunity to build reading into the daily routine. When listening to your child read let them discuss what they have read. Encourage them to read with expression and intonation, focus on punctuation and how expression should change. • You could also share a story together. This could be a chapter book where you read and discuss a chapter a day. You could take it in turns reading or read sections together. Reading to, and with, your child is also powerful and should not be underestimated.
Additional Maths activities (complete over the term)	Additional Reading activities (complete over the term)
<ul style="list-style-type: none"> • Gain knowledge and practice your skills at www.topmarks.co.uk – select Maths games -7-11 years • Visit www.mathgames.com – select skills and choose one you need to practice! • 1- Minute Math is a brilliant app created by White Rose Maths, it has a range of activities aimed to support your child's Maths fluency. The app is free to download or the web version requires a three-word code: cap-lip-age (this does reset every month so an updated 3 words will be available on request. whiteroseeducation.com/digital-tools 	<ul style="list-style-type: none"> • If you have finished a book have a go at quizzing. It doesn't matter if you read it alone, with someone or someone read it to you, you can still quiz. https://tinyurl.com/u6v6ncy9 Your child's Username is: Yourname Password: ABC or abc. • Once you have read a book, have a go at writing a book review. Have a look at the following website for what makes a really good book review. You can also submit your review here: www.toppsta.com
Spelling activities (to be completed weekly)	
<ul style="list-style-type: none"> • Practise the Year 5/6 Statutory spellings which are printed in the homework book. • Choose 5 words a week and complete a. simple 'look cover write check' activity. You could also test your child at the end of the week. 	

Spelling activities (completed over the term)

- The students have a spellings activity sheet in their homework book. Please select a range of these activities to practise our spellings.
- You can also visit <https://spellingtraining.com/> and enter your chosen words to play spelling games.
- Choose 5 Common Exception words. Write synonyms, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified?

Wider curriculum ideas to try!

Term 4

Learn even more:

- We are learning about the History of Medicine this term so why not do some additional research. You can find extra information – time line important information.
 - 1.) <https://kids.britannica.com/kids/article/medicine/353448>
 - 2.) <https://easyscienceforkids.com/history-of-medicine/>
- Practise some of your Spanish at home! Why not teach a parent your new vocabulary or draw a picture with some of your Spanish words? If you have access, you could always download the Duolingo Kids app to continue with your Spanish at home.

Be a Scientist:

- We are learning about Earth and Space this term, so why not do some additional research. You can find extra information – create a poster to present the information.
 - 1.) <https://spaceplace.nasa.gov/menu/earth/>
 - 2.) <https://kids.nationalgeographic.com/space/article/mission-to-earth>

Be Creative:

- Have a go at creating some your own healthy recipes – try making them at home and let us know how tasty they were!
- In Term 2, we learnt how to create a video within our Computing lessons, why not have a go at home – you could present other homework challenges as a film. Try using the following free online software:

iMovie

kapwing.com

Be Active:

- Although we may not admit it, Year 5 love a little dance-along – get your heartbeat up and visit KidzBop <https://www.youtube.com/channel/UCKE0Xnj818IDaHvIcRiq0Bg>
- If you want something a little gentler, enjoy some Yoga <https://www.youtube.com/user/cosmickidsyoga>

Be aware:

- Look around, what do you notice? Do you see something interesting? Take a picture, make a sketch, make a note of what you have noticed. The world is such a beautiful place – take the time to notice the little things!
- Do you have your own rubber duck? Challenge family members to 'Spot the Duck' at home – how good are their noticing skills?
- You can also have a go at our Bubble Bounce mindfulness activity, it is great for taking a moment to relax and reset. <https://www.youtube.com/watch?v=UEuFi9PxKuo>

Thameside Teamwork:

Help someone in your family – it might be tidying your room; doing the washing up or even helping to wash the car!

Please date and initial each week when you have heard your child read or they have spent time reading independently (up to three times) add any comments about your child's reading in the final column. Of course if you wish to read more, that would be fantastic! Please also do the same for times table practice and spelling.

Week	Reading Date/Initial	Maths Date/Initial	Spelling Date/Initial	Comments
E.g	1.) 15/01/2023 SM 2.) 17/01/2023 SM 3.)18/01/2023 SM	1.) 15/01/2023 SM (Garage) 2.) 16/01/2023 SM (Garage) 3.)18/01/2023 SM (Soundcheck)	3.) 5 spelling word practiced.	e.g..... needs a new reading book.
