This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#)

THAMESIDE PRIMARY SCHOOL

PE and Sport website reporting tool 23/24 (final publication to be July 24)

Purpose of the premium

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of pupils, in the 2023 to 2024 academic year, to encourage the development of healthy, active lifestyles.

Academies and free school proprietors must publish, on their website, information about their use of the premium by the end of the summer term (31st July 2024) at the latest. The reporting framework has been updated for September 2023.

Total Sports Premium provided in 23/24: £17,360

Our goals for 23/24

- strong engagement of all pupils in regular physical activity – kick starting healthy active lifestyles
- embed a high profile of PE and sport across the school
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- offer a broad experience in a range of sports and activities to all pupils
- wide ranging participation in competitive sport and extra-curricular activities linked to healthy lifestyles
- ensure grant is used effectively and based on school need

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	<i>Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	<i>Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	%	<i>Use this text box to give further context behind the percentage.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No
