

# Geography Term 1: Our Local Area

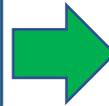

## Our Learning Journey:

1. What is economic activity?

2. Local economic activity

3. How is the land near where I live used?

6. Mountains and hills of the UK.

5. Why are lots of towns and cities near rivers?

4. Rivers of the UK

 **Our Outcome:**

By the end of this unit students will have a better understanding of their local area in relation to the rest of the UK and globally. We will know more about the local economic activity and important physical features of the local area.

**Vocabulary:**

economic	settlements
human	physical
commercial	residential
