

**YEAR 3**

**Term 1**

**Autumn 2024**

## Key Vocabulary

English: author, idea, favourite, character, because, to consider  
Maths: to count, to partition, hundreds, place value, digit, numeral  
Geography: weather, climate, biome, temperate, tropical, polar  
Science: light source, shadow, opaque, transparent, translucent, ray  
Spanish: Hola, Adios, Buenas Dias, Buenas Noches, Uno, Dos, Tres

## English

In English, we will be reading a selection of books by our class author, Oliver Jeffers. After talking about the different books, we will be writing to Oliver Jeffers himself, telling him what we like about his books and giving some suggestions for his next book!

Every afternoon, we will finish the day with a brilliant story. The children have two new choices every morning and we will be reading whichever gets the most votes.

## Mathematics

In Maths, we will be learning about:

- Place value
- Addition and Subtraction
- Multiplication and Division

Using the mathematical principles learnt in Year 2 we will be working with concrete, pictorial and abstract representations to develop our understanding. This is the year to learn and consolidate multiplication tables and use our knowledge to solve problems.

## Science

## Computing

## Religious Education

## PE

## Spanish

In Spanish, we will begin by learning some greetings in Spanish and how to introduce ourselves. We will practise asking and answering a question about how we feel. We will learn the numbers 1-10.

## Geography

## Art

## PSHE

In PSHE, we will be learning about different drugs, such as tobacco and alcohol, and the effects these have on our bodies. We will consider the risks of these and explore healthy ways to deal with stress and tricky feelings

## Music

## Learning to Learn

Our 'learning to learn' focus is Perseverance. We will be using some of our class assembly time to discuss good strategies to help us persevere.
