

Phonics

We follow The Little Wandle Phonics' program and this term we will be recapping the letter sounds we have learnt so far and then continue to learn new sounds. As well as enjoying rhyming, alliteration and environmental sounds.

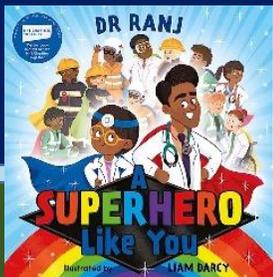

The Gruffalo Nursery Class Winter 2025

Maths

We follow The White Rose Math's program. This term we will be looking at shapes, patterns and the numbers 1,2,3.

Our Core Texts

This term we will be exploring a range of texts that use vocabulary or illustrations that represent people who help us. We will also be reading The Supertato books. Our traditional tale which is The Little Red Hen.

EAD (Expressive art and design)

This term we will be looking at independence around accessing our own paint, scissors, glue and art materials to create pieces of art.

Our Key Learning this Term

This term we are looking at people who help us. We will be learning about real life superhero's such as doctors, nurses, firefighters, police, dentists and vets. We are hoping we may get to meet some of these people and even being a vehicle with them.

Our traditional tale is The Little Red hen. We will also be reading The Supertato books and thinking about looking after our bodies and the importance of eating a health balance diet.

PD (Physical development)

We will be thinking about how we move our bodies and learning different skills such as hopping. We will also be working on fine motor skills such as how we hold our pencils and using one handed tools such as scissors.

UW (understanding the world)

We have introduced the children to Noodle and Titch. They are encouraging the children to use their imaginations and think about the adventures they can go on. We will be thinking where our local real life hero's work and where the local hospital and fire station are.

We will be celebrating Chinese New Year at the end January. Thinking about how other people live.
