

Phonics

We will continue with The Little Wandle Program looking at the sounds J, v, w, x, y, z, qu. We will also do oral blending, rhyming and alliteration.

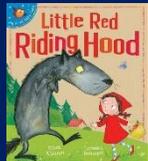

The Gruffalo Nursery Class Summer 2025

Maths

Continuing with the Whiterose maths curriculum we will be looking at making our own patterns, counting and comparisons of 3. We will consolidate what we have been learning this year.

Our Core text.

We will be looking at a diverse variety of texts including We are going on a bear hunt and The journey home from Grandads. We will also look at some non fictions books. Our traditional tale this term will be Little Red riding hood.

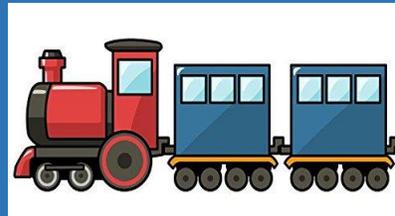

EAD (Expressive art and design)

We will be looking at how to make different vehicles out of different materials. We will also be learning new songs about journeys. Which include down at the station.

Our Key Learning this Summer

This term we will be looking at Journeys. We will be starting with Going on a Bear Hunt and moving on to look at different kinds of transport. We will also go on adventures to see where the transport might take us. Maybe the beach, a city or even a jungle. I cannot wait to let the children's imaginations run wild.

PD (Physical development)

We will be learning basic skills getting ready for our Early Years sports day. We will be thinking about throwing, balancing, running etc. We will let you know the date when we have one.

UW (understanding the world)

We will be thinking about how we go on journeys and where in the world we have been.

We will look on a map at different places and see where we would like to visit.
